LANDMARK: Next to the gate is a very tall, visible tower with a big Abbott "a" on it, which you can see from a distance.

Upon arrival to Abbott Park (Gate 1), each driver should say to the guard that they are there to attend the "**AP30 Conference**" and the guard will allow entry with directions to AP30 building. Security badges have already been prepared, and they will be ready for you at the check-in table.

Second Stop – Parking Lot

From the gate, head towards building AP30, which is listed on Google Maps:

<https://maps.app.goo.gl/kN7KmJRRFSeekGLz9>

- Turn left at the first intersection just past the gate
- Go past the first opportunity to turn right, which would take you down a short road
- At the parking lot on your right, turn in and park near the building at the far/South end of the lot (AP30)

We'll have lawn signs with the CANMRDG logo marking where to turn.

Third – Enter Building AP30

We'll put a CANMRDG-logo lawn sign near the entrance to building AP30. Inside, we'll have signage on the walls directing you to the check-in table.
